

# Talk to your daughter (C)

JB Lenoir

Mama, mama please talk to your daughter 'bout me  
Mama, mama please talk to your daughter 'bout me  
She made me love her and I ain't gonna leave her be

I ain't gonna stand no quitting and she won't have me around  
I ain't gonna stand no quitting and she won't have me around  
If she got me a ride, she'd be six feet in the ground

*You should talk to your daughter (echo)*  
*You should talk to your daughter (echo)*  
*You should talk to your daughter (echo)*  
*You should talk to your daughter (echo)*  
*She made me love her and I ain't gonna leave her be*
